Please contact us if you are unable to make the date/ time for the course you are interested in.

The workshops are designed to be relaxed and informal and help young people get a better understanding of the course they are applying for and give them a chance to meet the team. It also gives us a chance to make sure that the young person will enjoy the course and will be able to get lots out of it. Everyone will take part in group activities and also get the chance to ask questions.

Our summer programme is always popular and in previous years has sold out. Audition/ interview places will be confirmed on a first come, first served basis and then places on the courses will be offered following this. Once an offer has been made you will be asked to pay a non-refundable deposit to secure the place. This then counts as part payment towards the place when you pay the rest. Full payment details will be sent out with place offer letters. With our early bird auditions there's the option to pay in instalments.

For *The Musicians* however, some characters may sing. If you enjoy singing then please come along prepared to sing something. If you don't like singing then don't worry- you won't have to sing and there are lots of characters that don't need to.

For all audition workshops please wear comfortable clothes you can move easily in and flat shoes and bring a bottle of water with you.

If you need extra reading time or large print scripts just let us know and we can arrange this for you. Let us know if you have any access/ support needs and we will do our best to assist.
